1. [] Advised Frank Schroeder, of the Senate Internal Security Subcommittee staff, that a check here did not reveal any information concerning the whereabouts of [] (see Journal of 3 November) and suggested that he make a routine inquiry through State Department channels. Schroeder indicated that he had talked with Senator Dodd about his proposed trip to the Paris conference on Political Warfare of the Soviets, that Senator Dodd was pleased that we would be available to brief him and suggested that we contact Mr. David Martin on the Senator's staff who will accompany him on this trip.

I talked with Mr. Martin and learned that the Senator is planning to visit Germany as well as France on this trip and would like to go to the Congo if possible. He has apparently indicated to the State Department that he would like to visit with high officials in Germany and France. If he goes to the Congo, he plans to visit Leopoldville and Katanga. Present plans call for their departure from New York on 29 or 30 November. The conference is scheduled for 1, 2 and 3 December and Paul Henri Spaak is the chairman. The Senator has been asked to speak for 15 minutes on the subject of free world counter-action to world communism. At my request Mr. Martin gave me a copy of the program for the conference.
